The French Club has been busy this year. The highlight of the year was the snow skiing trip to Appalachian Ski Mountain. Members also enjoyed an ice skating trip and a visit to a French restaurant. For the first time, the French Club had an entry for the Albemarle Christmas parade. The club also sang French Christmas carols and played bingo. During a meeting members also tasted a traditional European dessert, pizzeles.

The South Stanly Chapter of Future Homemakers of America has been very active in both the school and community. Members participated in District and State Leadership meetings and proficiency events. The club went caroling and took Christmas gifts to the rest home. Chapter events included a fall cook-out, a skating party, and a family banquet in the spring.

Their projects included participating in the Stanly County Fair, teaching hunter safety, and promoting home safety. All of this work was not without rewards though. Hey, Angie, look this way!

The South Stanly Chapter of the National Junior Honor Society has represented our school well this year by devoting many hours to community service projects. Highlights of the year included the annual honor tea, Appreciation Day for faculty and staff with small favors, initiation of new members, and outings to Eastland Mall and Carowinds. This year this busy group donated \$500.00 to South's fieldhouse.

South's spirit this year has really been boosted by the varsity cheerleaders. They have worked extra hard this year to keep spirits high. They practiced long, hard hours and made many, many signs. The varsity cheerleaders attended cheerleading camp at UNCC this past summer, July 15-18. They represented South Stanly well, they received the award, "Most Creative Squad." Mrs. Sigmon, sponsor of the squad, and the squad deserve a big cheer.

The Journalism class devoted much time and energy to the '86 Southerner. The students also published the Rebel Rouser quarterly. Meeting deadlines was easy because the students pulled together to accomplish challenging tasks. South Stanly can surely be proud of its Journalism staff. The staff extends a special thank you to Mr. Deppe, Steven Meadows, Cory Sigmon, and Tony Biggers

to this

This year, South Stanly experienced many changes and improvements. After endless hours of volunteer work and fundraising events, South Stanly's fieldhouse was completed. To those who helped undertake this great task, we say "thank you." Without that commitment, the fieldhouse would have been an impossible dream.

Although we put much work and dedication into the annual, because of circumstances beyond our control, several mishaps occurred. The flu virus caused many absences. Therefore, club pictures have missing members. Our publishing agent lost a roll of film containing shots of our track teams. We express our sincere apologies to those who were affected by these circumstances.

We, the Journalism Class of 1986, hope that we have captured the true meaning of high school in the pages of this annual. We hope that as you thumbed through the pages of the 1986 SOUTHERNER, you experienced exhilaration, joy, sadness, and hope all at once. May THE MEMORIES REMAIN.
